Dear Mr. Leahy:

Thank you for your letter of December 8, 1954

We desire to call your attention to our letter of December 8, 1954 regarding applicant's Swedish application 7893/54 to which was attached a new set of claims which we proposed for the Swedish application. We believe that these new claims would be more acceptable to the Argentine examiner and therefore if you find the Swedish claims acceptable we should also like to file them in Argentina.

Please let us know whether or not this course of procedure meets with your approval.

Very truly yours,

LANGNER, PARRY, CARD & LANGNER
